Rembrandt™ Brushes

PAINT LIKE A MASTER

The Finest Brush for the Painter Who Demands Masterful Results

The Rembrandt Brush series is uniquely handcrafted to deliver the kind of results true artists admire. From a distinctive, semi-oval design that holds and releases more paint, to special NYLYN™ Technology polyester filaments that perform in remarkable ways, it's a rugged tool for discerning professionals that demand more from their equipment and share our respect for genuine quality. Recommended for today's paints & stains, both latex & oil.

- **Semi-Oval and Traditional Brush Profiles**
- **Unique Tipped Filaments**
- **Unique NYLYN™ Technology for Filaments that Pickup, Hold and Release More Paint**
- **Wide Range of Sizes, Handles & Profiles, From Flat, to Angle Sash**
- **High Temperature Resistant**
- **100% Handcrafted**
