

# PROS WHO KNOW CHOOSE BRASSCRAFT® WATER STOPS.

As the leading manufacturer of water stops for over 75 years, BrassCraft is the brand plumbers trust to provide high-quality, reliable products with no callbacks. We are the standard whose water stops embody the pride of craftsmanship so pros see their name, reputation and our product as one.

**THIS IS OUR CRAFT®**

## **Unrivaled Materials**

From gas and water to drain cleaning applications, BrassCraft products are crafted for strength, reliability and durability — and we work to get even better every day.

## **Quality-Tested**

Our commitment to quality demands that every BrassCraft product is designed and engineered to be robust and reliable. Then, they're tested so only the highest-quality products earn the BrassCraft name.

## **Easy To Install**

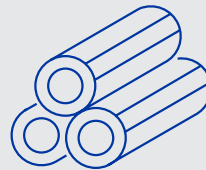

Get the job done quickly, for a job done right.

## **Versatility**

Every part works with preexisting plumbing, so whatever job you're on, BrassCraft products are the perfect fit.

**WIDE RANGE OF  
STOP CONFIGURATIONS**

**MANUFACTURED FOR  
DURABILITY**

**CONSISTENTLY EXCEEDS  
INDUSTRY STANDARDS**

# A FULL LINEUP OF WATER STOPS FOR EVERY NEED.

## Multi-Turn Stops
