In2ition® 2-in-1 Shower

Get water where you need it most: Use integrated shower head and hand shower separately or together to maximize flexibility without sacrificing warmth

SureDock™ Magnetic

Bring reliable docking within reach. A sturdy hook on the back of the shower head ensures it mounts securely every time. The location of the mount allows you to remove, use and redock your hand shower with ease.

Pro Clean

cleans shower surfaces at least two times faster than standard sprays, powering off soap scum and shower messes; Wide fan, high-pressure spray easily cleans hard-to-reach places and tile without scrubbing
